

## Hudson 13A Raiders retains perfect record against formidable Cottage Grove 13A Wolfpack in league action at the St. Joe's Field in Hudson, WI

Right out of the gate the Raiders showed they were going to protect their home field sending Nick Schmidt to the mound. Schmidt got the first two batters to ground out and struck out the third batter.

In the second inning the Wolfpack rallied when the Bullis took one for the team and advanced to first. Jeff Martin came to the plate and hit a Texas leaguer down the right field line that advanced Bullis to third base. Cole Conner then drove home Bullis on the ensuing at bat to tie the score at 2.

The Raiders responded in the bottom of the second with their own 5-run rally that would secure their lead for the remainder of the game. The pitching trio of Nick Schmidt, Jeremy Cavanaugh, and Ryan Daulton went to work limiting the Wolfpack to a total of six runs. As a group they struck out nine batters.

The Wolfpack showed that they are not to be taken lightly in the top of the fourth in a highlight moment when leadoff hitter Nick Mcardell hit an inside the park homerun. Martin led the Wolfpack at the plate this evenings going 2-2. Bullis, Waldon, Conner, and Mcardell each added a hit to the final tally.

Everyone says that defense wins ball games and in this case it might be a little bit different as the Raiders exploded for 15 runs. The leader of the pack was leadoff man Griffey Christenson, as he went 4-4 with two RBI and three runs scored. The bottom of the lineup hit extremely well too as Jake Burger and Brodie Belland got on base each time they got up to the plate combining for a total of five runs scored.

The Raiders posted the win 15-6 in this 3 hour marathon. The game was called in the bottom of the 5<sup>th</sup> for darkness. The winning pitcher was Jeremy Cavanaugh, who went 2<sup>1/3</sup> innings while giving up three runs on five hits and striking out five. The losing pitcher, Tim Vorwerk, went two innings allowing six runs on two hits and striking out two.
